Sir,

The Notification of Government No. 36 dated 16th May 1882 directs that- "in the case of a person of or over sixteen years of age, whipping shall be inflicted with a light rattan not less than half an inch in diameter, and that the person undergoing the sentence shall be placed on a triangle, or where the same is not available, secured in such manner that the front part of the person shall be completely protected, and that the whipping shall be inflicted upon the bare

Case Breach." The District Magistrate of Bangalore reports that none of the Criminal Courts in his District has been supplied with triangles, and it is presumed that the Criminal Courts in the other Districts also have not been furnished with same. I am, therefore, directed to suggest that all Courts, the Magistrates of which are empowered to pass sentences of whipping, may be furnished with triangles; otherwise, serious injury may sometimes unintentionally be inflicted.

Sir,

With reference to Government Proceedings No. J. 528-37 dated 1-9-08 requesting me to submit an estimate for the Cost of triangles for whipping required for use by the Criminal Courts of the District, I have the honor to forward herewith an estimate prepared at the Kolar Mission Industrial School, and to state that iron posts as provided in the estimate, will last for ever and will not be subject to the ordinary wear and tear, and Cost of renewal, as much as wooden posts would be. I would therefore suggest that the triangles may be

made of iron as per estimate. —

Of the estimates received in this office three are now submitted as of the lowest cost. —

There are 19 Magisterial Courts in the District as per margin, and I think it would be as well to supply one for all a triangle to each Court, at a total cost of Rs 218-8-0 for the whole District. If however the Government should think it not necessary to supply all the Courts just now, - 8 - triangles, one for each Court presided over, and likely to be presided over, by a magistrate exercising whipping powers, with 2 spare ones, would appear to be enough for the present for this District. —
